Polpis Harbor: ages 9 to 15
Racing in Optimists

Upon completion of our Optimist Green/Blue class, students who are interested in participating in a racing-oriented team setting are invited by the Optimist racing coach, to participate in our Optimist racing class. Previous sailing instruction at NCS is a prerequisite and team members are encouraged to participate on the team for a minimum of two weeks. Each participant must be a member of Nantucket Community Sailing. The Optimist Racing focuses on the more advanced aspects of racing, such as performance boat handling, acceleration, upwind strategies, mark-rounding, downwind and reaching tactics, advanced tacking and gibing techniques, tactical finishes, sailing rules, etc.

Students are both invited and expected to travel with the team to compete in a number of on and off-island regattas, which will be scheduled by the Optimist racing coach. On-island events include the Admiral Sir Isaac Coffin Cup in July, the Jobson Cup in July, and Nantucket Race Week in August. Students from NCS, the Nantucket Yacht Club and the Great Harbor Yacht Club Opti Race Teams will compete against each other in an all-island series each Thursday held at a mutual on-island sailing location. Travel expenses for off-island events will be the participant's responsibility, although group rates for ferries, etc. are available. All travel arrangements will be made by the coach, who will travel with the team. Students who are interested in keeping with Optimist racing until they “age-out” (sailors must be under 16 years of age, per Optimist class rules), may continue to participate in the Optimist racing team at Polpis Harbor, even if they are older than 12 years old.

In an effort to cover the costs of our instructors, boats and safety equipment, we are requesting you consider an additional \$100 tax-deductible contribution (“Suggested Donation”). As in previous years, NCS scholarships are available to year round Nantucket resident children.

Youth Introduction to Keelboat Sailing

Those sailors interested in experiencing sailing on a larger boat will enjoy the Youth Introduction to Keelboat Sailing class. This class offers sailors the opportunity to cruise with a group of other students on our J/105, a 34.5' keelboat. Students, ages 8-12 years old, will participate in steering and be introduced to the most basic concepts of sailing on a larger boat.
