

THE MOST TRUSTED NAME IN SAILMAKING

SAILMAKERS

Greetings Nantucket Race Week Sailors-

I am pleased to send my heartfelt congratulations to all the competitors in the 2016 Sail Nantucket Regatta and Opera House Cup. These signature events were marked by some of the finest examples of craftsmanship in yacht design and Corinthian sailing that our sport has to offer. Furthermore, the racing and celebrations were accompanied by a broad commitment to support Nantucket Community Sailing and its mission to make an education in sailing accessible for generations. And, for these reasons Hood is proud to have taken on the role of being the premier sail maker sponsor for Nantucket Race Week.

Nearly 60 yachts took part in the Sail Nantucket Regatta and Opera House Cup. All competitors were greeted with near perfect sailing conditions and the beauty of sailing on Nantucket was on display in full force. The close racing and wide variety of classic yachts on the water cemented Race Week as one of the jewels of East Coast sailing, adding to the unrivaled experience that is Nantucket Race Week.

At Hood, we seek to work with those sailors who demand the best, and so our commitment to Nantucket Race Week. I am pleased to share that our sponsorship of Race Week has already afforded us the opportunity to serve some of you and in turn support Nantucket Community Sailing. Our intention is to create a sailing experience based in the timeless principles of durability, performance and value. From our perspective, this process is the result of uniting the art and science that is sail making with the commitment to be the most trusted name in sailing.

Going forward, we are committed to supporting Nantucket Community Sailing. Through the end of 2016 a portion of the proceeds from any new sail purchased by competitors in the Sail Nantucket Regatta and Opera House Cup will be donated to Nantucket Community Sailing. I invite you to take a further look into how our passion and experience at Hood will maximize your time on the water and help you go the distance. And, our work together will benefit Nantucket Community Sailing.

Again, congratulations on a fantastic Regatta!

Sincerely,

David A. MacMillan
