NANTUCKET COMMUNITY SAILING NEWSLETTER

Homeport is now Home for 17 Summer Instructors

The new NCS dorm, Homeport, is officially open and our 17 summer sailing instructors have moved into their amazing new summer accommodations! Our wonderful dorm manager, Merelise O'Connor, will be sending us a new photo of the dorm for each newsletter, so stay tuned for your look inside Homeport!

Don't miss the list of donations we're in search of for the dorm - included at the end of this newsletter!

Coffin Cup Registration

Registration for our annual youth regatta, the Coffin Cup (July 19th), will open to any sailor, ages 7 - 12 years old, enrolled in 2019 Polpis Programming, on Friday, July 5th at 9am online! Please log-into your Active Network account beginning at 9am. Space is limited for this "event of the season!"

As a reminder, spectator boats for parents operate on a first come, first served basis. Additionally, if you would like to ride the van with your sailor to Polpis, make sure you sign up for the parent van rides!

New Online Lesson Booking Software Launched

NCS will be using FareHarbor for booking lessons and rentals at the Jetties Sailing Center this summer. We'll also be using it to book lessons on our J/105s and foiling boats (Waszp and UFO)!

We are now accepting bookings! Check out the new site by going to our website and clicking "Book Rentals/Lessons". We're looking forward to getting you out on the water this summer.
